*PACKAGING RIBBON*

---

12

*Every year Papillon develops a new ribbon collection that helps its clients achieve the expression and presentation of their packaging ideas. Ribbon is a delightful and versatile product to accessorize and package your retail products, whether it is for home decor, cosmetics, gift baskets, gourmet foods, wedding, event planning or stationery. Our expert in-house designers are knowledgeable of color coordination and design trends within the Packaging Industry, so they can help you distinguish your product from the rest. A sales representative will work closely with you in assisting, advising and realizing the perfect ribbon for your unique project.*
